The Toronto Port Authority operates the Billy Bishop Toronto City Airport, the Port of Toronto and the Outer Harbour Marina. We are proud to be partners in securing Toronto's economic prosperity and enhancing its beautiful waterfront for all to enjoy.

There are 2 full-time opportunities available at the Toronto Port Authority:

PROJECT MANAGER

Toronto Port Authority is seeking two Project Managers to lead complex infrastructure, transportation, capital and maintenance projects across the organization, including significant, multi-year initiatives supporting long-term infrastructure and operational priorities. Working across diverse airport and marine environments, the Project Managers will oversee projects involving civil infrastructure, airfield systems, bridges, dock walls, utilities, building systems and related assets from planning and design through approvals, procurement, construction, commissioning, warranty and closeout. The roles are responsible for developing project plans, budgets and schedules, leading procurement, and coordinating internal teams, government agencies, Indigenous communities, consultants and contractors to deliver projects within approved scope, schedule and budget. They will also provide project advice to business unit leaders and senior leadership and support the procurement of operational contracts and materials as required.

The Toronto Port Authority has retained *Fortuity Search Group* to lead this recruitment.

Interested and qualified candidates are invited to contact Shilpa Maru at: shilpa@fortuity.ai for more information about this position.

We thank all applicants for their interest. However, only applicants selected for an interview will be contacted. The Toronto Port Authority is an equal opportunity employer.
Licenses, certifications, or other documentation may be requested.
